

HOW TO GET TO THE MONTE-CARLO ROLEX MASTERS

BY CAR

The Club is located to the East of the Principality, n°155 avenue Princesse-Grace, in Roquebrune-Cap-Martin, France.

The simplest route is the motorway A8, exit 57 "La Turbie" (if coming from France) or "Monaco" (if coming from Italy), and then you follow the signs indicating the M.C.C.C.

Five car parks are available (see plan on adjacent page), a free shuttle service will take you from the car parks to the Club and back (on presenting the Tournament tickets at the pay desk, special parking prices will be applied).

BY BUS

Take the Nice Côte d'Azur "Ligne 100" bus that leaves from the Nice Central Bus Station every 15 minutes (one-hour journey) and alight at the "Saint Roman" bus stop, in Roquebrune-Cap-Martin.

BY TRAIN

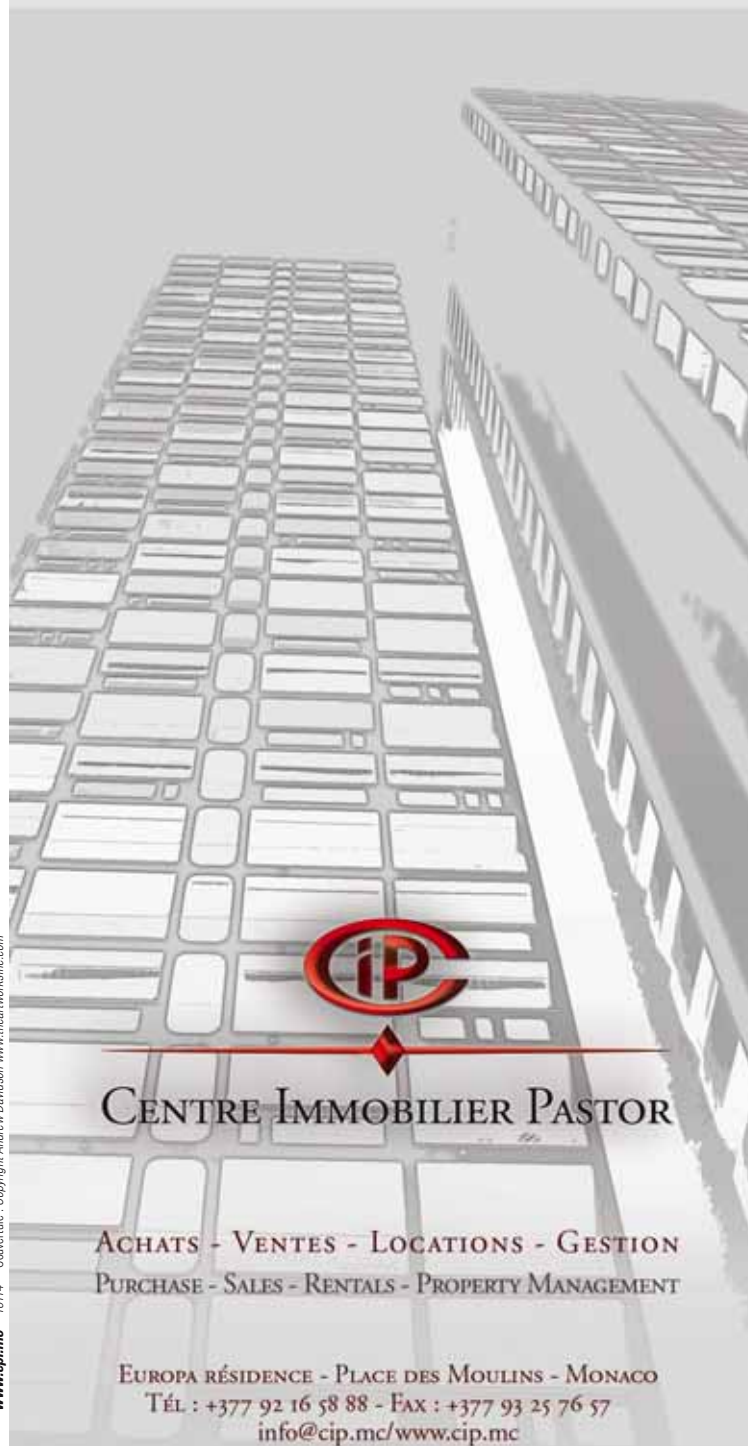

Thanks to the rail service that stops at the "Monte-Carlo Country Club" station (located between the Monaco/Monte-Carlo stop and Roquebrune) situated just 600 metres from the gates of the Monte-Carlo Rolex Masters site, you will be able to arrive at the tournament with ease, speed and in comfort.

Passengers may also alight at the Monaco/Monte-Carlo station and arrive at the Monte-Carlo Country Club on the 1, 4 or 6 Monaco bus lines, in the direction of St Roman or the Larvotto (free access upon presentation of tennis ticket). To check out time trains, please contact your SNCF station or consult our site: www.montecarlorolexmasters.mc section "Site Access".
